Kenneth, Scott Massey, Susan Smith  
Monthly Meeting

We are scheduled to have our monthly meeting this Wednesday June 17 th Due to the pandemic, past meetings have been canceled or we have conducted them with zoom. Emergency Management Director F Palmer has expressed a desire to hold an actual meeting. Starting this Wednesday groups of 50 people can be together outdoors. I am in agreement using social distancing and face masks, this can be accomplished. F Palmer has suggested that we meet at HPCC at the side parking lot next to the cafe at 7 pm. Please bring your own chair and a beverage for hydration. We have no events scheduled for the year, I believe this is a perfect opportunity to discuss and act on ideas and issues that have been around but not acted upon. We all know this is hurricane season, I would like to have shelter committee people at this meeting for a review in case we have to open the shelter

Thank You.

Kenneth Lyke
