Subject: July Meeting

Seeing there is not much to share with you all. I have decided to cancel the July 15 th meeting. Hopefully there will be good new.s to convey at the August meeting.I ask that you hang in there during this pandemic, We will get through this together. Check on relatives and neighbors who require some assistance. Take the proper PPE when going out. I am open to any suggestions that you may have for training and reviews. So please let me know and I will work on it. Need to keep the group together and build a strong team.

Thank You,
Kenneth Lyke
