

# Youth Basketball

The Orange Park and Recreation Department is offering a Youth Basketball Program for grades 2-6.

This is not a league and there are no set teams. The class will be divided into skills and drills time and some game play.

Participants must come to the HPCC Gym wearing their masks. Parents will drop off, but not stay in the building during class.

When proper social distancing is possible, players will be able to remove their masks, but they will have to wear them for contact drills and game play.

Participants must wear sneakers and bring their own water bottle. Basketballs will be provided for game play, but participants are encouraged to bring their own for drill work (not mandatory).
