**Subject:** January 2021 Meeting

We will be conducting his meeting as scheduled Via Zoom. After the opening, Tino or Fred will swear us in for 2021. We will get an update on the Covid-19 pandemic and the progress of the vaccine for town residents. Hopefully by then, there will be agenda if Cert will be used and any protocols the town may have in place. More info will be available before the meeting

Kenneth Lyke
