

## Town of Orange - Emergency Management

Re: EMAC COVID-19 Subcommittee

There will be a meeting of the town of Orange EMAC, ESF-8 (Health) subcommittee on Friday, March 6, 2020 at 8 A.M. at the Police Departments main conference room for a briefing regarding the COVID-19. The objectives of this meeting are:

1. To establish a unified command structure to develop and manage the towns response to COVID-19.
2. To develop a common understanding of the current risks from this virus to our town, its general population and the various departments and agencies that may have a role in responding to this risk.
3. To develop unified plan or set of coordinated plans to address those risks.
4. To coordinate a public information message that is consistent among departments, reflecting a realistic level of current risk to the general population and any mitigatory actions that may be recommended.

This committee will provide a report to the full EMAC at the next meeting on March 27.

Please plan to attend or send a representative.
