Emergency Management Advisory Council
Meeting Notice for Friday, April 24, 2020

Hi EMAC Members,

I am cancelling our April EMAC Meeting.

Our Coronavirus Subcommittee has been meeting weekly. We conducted the last two meetings via ZOOM and it works out very well. The state has several phone conferences, Webinars, Zoom conferences, etc. with Mayors, Emergency Management, Health, Education, etc.

Tino and I are very busy with all these conferences and it is not practical for us to have the monthly EMAC Meeting.

We had a two hour webinar with the Feds on applying for Federal Funds plus another hour of DEMHS application documents. We have a weekly Zoom meeting with Region 2 ESF-8 Health as this corona is a health crisis. A weekly Zoom meeting with the Governor where we get an update and have time to ask questions.

The Governor is on TV normally every afternoon at 4:00 with commissioners to update on the coronavirus.

For up to date information visit: **ct.gov/coronavirus**

This Health Pandemic requires everyone to stay home if possible and definitely social distance and hopefully we won't be spreading the virus after we slowly get back to normal.
