

LOCAL CONNECTICUT DOT CONTACT NUMBERS | 2017

There are over 110 miles of streets and roads to maintain in the Town of Orange. Maintenance of these roads includes, but is not limited to:

- Road paving
- Curbs
- Pothole repair
- Snow plowing
- Sight-line obstructions at intersections
- Street signs
- Guardrails/highway posts
- Traffic lights at some locations
- Town-owned tree removal/trimming
- Road kill pickup (no birds, squirrels or rabbits)

Roads with a route number are maintained by the State of Connecticut Department of Transportation. Below are roads in Orange maintained by the State of CT DOT and their corresponding state garage telephone numbers.
