

Swim Lessons

Registration for Swim Lessons—IN PERSON ONLY

March 15—Orange Residents and Pool Members Only

Swim lessons will begin on a limited schedule with very limited availability. Each class will be taught as a private lesson, with just your child and an instructor. There may be more instructor/student pairs in the pool at the same time but pairs will not mix. Parents will not be allowed on the pool deck during the class. Only one member of the family may be in the balcony during your child's class. Patrons in the balcony must be seated and spaced accordingly. If the instructor has to cancel a class for any reason, you will receive a credit for the missed class. Substitute instructors will not be used. All participants and family members must wear a mask until the lesson is ready to begin. Instructors and students will not wear masks during class. Due to limited space, only one lesson per child will be allowed until the program starts, more may be available if space allows, at that time.

These classes are not for advanced or intermediate swimmers.

The lessons are for BEGINNERS; children 3 years and above that will participate without a parent present on the deck. You are registering for an available spot in the session. The instructor will teach to the level of your child.

More advanced lessons will resume when all the Covid restrictions have been lifted throughout the facility.
